## Member Agreement

Please read and review the East Hills 4-H Club Operating Rules and the 4-H Codes of Conduct with your child. These documents are available to view on the East Hills Yahoo group or you can request that copies be sent to you.

It is important that adults and youth understand the expectations and rules for the East Hills 4-H Club and 4-H Youth Development Program. Your signature will indicate that you have reviewed and discussed the Operating Rules and Codes of Conduct together and are prepared to abide by 4-H rules.
